

Report Supplementary Material 4 - Four week questionnaire

Four weeks questionnaire

safetxt

A randomised controlled trial of a safer sex intervention delivered through mobile phone messaging

safetxt Study Number:

Please tick the appropriate box, one answer per question:

Did you take the treatment for your sexually transmitted infection?	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>	Unsure	<input type="checkbox"/>
Did you avoid sex (intercourse) for 7 days after your treatment?	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>	Unsure	<input type="checkbox"/>
Thinking about the last person you had sex (intercourse) with before you tested positive for Chlamydia, gonorrhoea or had non-specific urethritis. Did you tell them that they needed to get treatment?	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>	Unsure	<input type="checkbox"/>
Was a condom used the last time you had sex (intercourse)?	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>	Unsure	<input type="checkbox"/>
How many people have you had sex (intercourse) with since taking part in the study?	0	<input type="checkbox"/>	1	<input type="checkbox"/>	2+	<input type="checkbox"/>

To what extent do you agree or disagree with the following:
Circle one number per line that best represents your opinion

	Strongly disagree	Disagree	Unsure	Agree	Strongly agree
If someone had a sexually transmitted infection (STI), they would know.	1	2	3	4	5
STIs are rare.	1	2	3	4	5
I can tell if someone has an STI.	1	2	3	4	5
Most people who have an STI will tell their partner.	1	2	3	4	5
It's my responsibility to tell a partner if I get diagnosed with an STI.	1	2	3	4	5
If I tell my partner I have an STI, my partner would be glad I let them know.	1	2	3	4	5
If I tell my partner I have an STI, my partner would think badly of me.	1	2	3	4	5

of a safer sex intervention
delivered through mobile
phone messaging

How easy or difficult would it be to:

Circle one number per line that best represents your opinion

	Very easy	Easy	Unsure	Difficult	Very difficult
Tell the <u>last</u> person you had sex with that you had an STI	1	2	3	4	5
Tell the <u>last</u> person you had sex with to get treatment	1	2	3	4	5
Tell a new partner you had an STI	1	2	3	4	5
Tell a new partner to get treated	1	2	3	4	5
Put a condom on	1	2	3	4	5
Keep a condom from drying out during sex	1	2	3	4	5
Keep a condom from breaking or coming off during sex	1	2	3	4	5
Keep a condom on while withdrawing the penis	1	2	3	4	5
Keep a condom on from start to finish	1	2	3	4	5
Imagine that you and your partner have sex but don't use condoms. You want to start using condoms. How easy or difficult would it be for you to tell your partner that you want to use condoms?	1	2	3	4	5
Imagine that you are having sex with someone new. You want to use condoms. How easy or difficult would it be for you to tell them that you want to use condoms?	1	2	3	4	5
Imagine that you are having sex with someone new. You want to use condoms. How easy or difficult would it be for you to tell them that you won't have sex unless you use condoms?	1	2	3	4	5

Thank you for completing this questionnaire
