Domains Attitudes	Questions How do you feel about eye donation in general? How do you think patients and family members might respond to this option? There will be changes to legislation around donation shortly as we move from an opt in system to an opt out system, what are your thoughts about this change?	Prompts <i>What are your concerns?</i> <i>Does how patients and family members might respond concern you?</i> <i>Have you been provided with any training or guidance about how this legislation change might impact on your practice?</i>

<p>Knowledge/ Behaviours</p>	<p>Do you know how many people are in need of an eye or corneal transplant in [in the UK?]</p> <p>The next questions are about the process for identifying potential eye donors in your organization and referring potential donors to Tissue Services.</p> <p>Can you tell me which patients are likely to be eligible for eye donation?</p> <p>What do you see as your role in discussing donation options with patients or family members?</p> <p>At what point in a patient's care would you consider eye donation?</p> <p>What do you need to do to refer a patient for eye donation? What happens after referral if it's a yes?</p> <p>Are there specific policies or procedure for this at your hospital?</p>	<p><i>Have you given much thought to the need for eye/corneal transplants?</i></p> <p><i>What do you know about this?</i></p> <p><i>Have you ever had any contact with a patient in need?</i></p> <p><i>Are there any standard criteria?</i></p> <p><i>If this is not your role, who do you think should undertake this?</i></p> <p><i>What would prevent you from considering eye donation?</i></p> <p><i>Who needs to be contacted and whose role is it to make contact?</i></p> <p><i>Have you done this personally?</i></p> <p><i>Who carried out the actions?</i></p> <p><i>Do you know where to find out information about this if you need to?</i></p>
<p>Experience</p>	<p>Have you had any patients in the last six months who you would consider to be potential eye donors? Could you tell us about the nature of your interactions with that patient/family? Overall, how often have you considered whether a patient might be a potential donor?</p>	<p><i>If yes, what happened?</i></p> <p><i>How many?</i></p> <p><i>If no, when was the last potential eye donation patient you encountered?</i></p> <p><i>In your view, have the interactions been positive or negative? Can you provide an example?</i></p> <p><i>Do you think there are areas that need improvement in terms of how you or other team members interact?</i></p>
<p>Practice</p>	<p>Do you routinely introduce the idea of eye donation to patients? Are there any patient or familial circumstances that would prevent you considering raising the issue of donation?</p>	<p><i>If yes, can you provide a description of the context for that discussion and an example of what you might say?</i></p> <p><i>If no, could you tell me about why this topic is not raised?</i></p>

<p>Systems</p>	<p>Have there been any in-service training about eye donation offered? If participant agreed that there were policies and procedures available about eye donation, ask: How were you made aware of the referral procedures and policies? Is there a donation link person or champion in your service?</p>	<p>If yes, have you attended, what happened and how helpful was it? If, not is this something that you think would be beneficial? Would you attend? What sort of training/education would work for you? As part of induction/training/staff meetings/told by another staff member? Have you had contact with this person? Was that contact helpful to you?</p>
<p>Legislation</p>	<p>In 2020 (enter data if differs) new legislation came in moving England to an opt out donation system as opposed to the previous opt in system, has this change had an impact on your practice, or experiences with patients and family members?</p>	<p>What do you think about the legislation change? Have you noticed any publicity about this change? Are you aware of changes to policy or service guidance due to the new legislation? Have you been offered any training around the new legislation?</p>
<p>Close</p>	<p>Thank you for your time today. Is there anything that you would like to ask me? My contact details are on this card. Please contact me if you have any questions resulting from this conversation.</p>
