

Report Supplementary Material File 3

Interpretation of data from the included studies in NVivo

Screen capture of example memos for each concept or theme coded at a node (including analysis journals)

The screenshot shows the NVivo software interface. At the top, there is a menu bar with options: File, Home, Import, Create, Explore, Share, and Modules. Below the menu bar, the 'Memos' section is active, displaying a list of 35 items. Each item is preceded by a small icon of a document with a plus sign. The items are:

- Name
- 1_Abbie's Analysis Journal
