

This is a unique opportunity to take part in a leading research study, which can affect services for people with Parkinson's

If you would like further information, please complete the form on the other side

NHS Research on Parkinson's in Surrey

Opportunities to take part in a trial of specialist rehabilitation in your home

The treatment team comprises:

- Specialist doctors
Parkinson's nurse specialist
Physiotherapists
Occupational therapists
Speech and language therapist
Other health professionals as required
Care assistants

SPIRiTT is a collaboration between:

University of Surrey
NHS Surrey
Royal Surrey County Hospital
Guildford Parkinson's Research Group

Specialist Parkinson's Integrated Rehabilitation Team Trial

GDPRG

Do you have Parkinson's?
Do you know someone who has Parkinson's?

We are looking for volunteers to take part in a research study

The study is funded by the NHS

It is investigating whether specialist team treatment is helpful to people with Parkinson's and their carers

The findings will be used in the planning of future services

If you are interested in taking part, or would like more information about the study, please contact the research team
