

Invitation

Physician Associates in Secondary Care Research Seminar

Date 18th December 2017, 2-4.15 pm (refreshments available from 1.45pm)

Venue Franks Room, Wellcome Collection, 183 Euston Road, London, NW1 2BE, UK (5 minutes from Euston station)

The aim of this seminar is to present some of the emerging findings going into the final report and create an opportunity for discussion, raising questions and issues.

We are inviting those who have advised the study as well as some of those who participated in the study (we are also offering sessions in the hospitals that participated in the New Year).

We are hoping for a good mix of professionals, patients, and public representatives.

The discussion and viewpoints raised will help the research team in writing up the report for the NIHR and subsequent journal publications.

Travel expenses

We can pay any travel expenses and can purchase train tickets to pick up at a chosen train station ticket machine.

Public Voice representatives

We can offer a thank you for your time £20 voucher
