## MAVARIC TIME AND MOTION STUDY Technology (SP) (TP) please tick How long have you been reading automated slides (months)

Instructions: This slide is to be included in the MAVARIC time and motion study. Please record your staff grade for the relevant activity and the time spent reading the slide.

1/ Times should be recorded using a stop watch in minutes and seconds e.g. Ten minutes and 5 seconds should be written 10:05

2/ Times should NOT include any administration time including completing this form, looking at history, putting slide on stage or updating records on the computer. The timing starts the instant you start to screen the slide and ends the instant you finish screening the slide

Staff grade C = checker, CS = cytoscreener, or BMS
