Glue Ear Treatment - What Matters to YOU?

Would you like to take part in a survey to help decide what the important results of treatment for glue ear are?

If you are an adult with cleft palate or a parent of a child with cleft palate you can find out more and share your opinions using the link below.

Parents: if your child is aged between 7 and 16 we also want to know their opinions about what results of treatment for glue ear are important. For them to take part you will need to agree at the end of the survey, they may also need your help to complete the survey.
