

CONSENT FORM (phase II)

Title of Project: **Pre-conception Care for Women with Diabetes**

Name of Researcher: **Dr Anisah Tariq**

Please initial box

- 1. I confirm that I have read the information sheet dated 4th February 2015 (version2.0) for the above study. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily.

- 2. I understand that my participation is voluntary and that I am free to withdraw at any time without giving any reason, without my medical care or legal rights being affected and that if I withdraw none of my data will be used in the study.

- 3. I understand that the information collected about me will be used to support other research in the future, and may be shared anonymously with other researchers, and that it will be stored securely for 10 years.

- 4. I understand that my real name will not be used in the study and my personal information will not be revealed to people outside of the study.

- 5. I understand that my words may be quoted in publications, reports, web pages and other research outputs.

- 6. I agree to my General Practitioner being informed of my participation in the study.

- 7. I understand that agreeing to take part in the study means that I will be audio-recorded.

- 8. I agree to take part in the above study.

- 9. I agree to be contacted about participation in the next phase of the study.
