PLEASE READ ALL THE INSTRUCTIONS BEFORE COMPLETING THE QUESTIONNAIRE

Thank you for agreeing to take part in this study. The responses you give in this questionnaire will help us find out the best way to help reduce falls in people who are over 65 years old.

Please answer ALL the questions. Although some of the questions may not seem relevant to yourself or may appear similar, they do give us valuable information.

If you find it difficult to answer the question, please give the best answer you can.

Please follow the instructions for each section carefully.

For each section, if you are asked to put a cross in the box, please use a cross rather than a tick, as if you were filling out a ballot paper.

For example in the following question, if your answer to the question is 'yes', you should place a cross firmly in the box next to yes.

Do you drive a car? Yes ☒

No ☐

If you are asked to write your answer, please do so by entering your answer in the box provided, for example:

How old are you? | 7 | 5 | years

Please use a black or blue pen for all the questions.

Please do not use a pencil or any other coloured pen.

If you have any queries or problems completing this questionnaire please contact the trial co-ordinator, [insert contact name], telephone number [insert contact number], email [insert email address].
