

### 1. Feed-back questionnaire

Thank you for completing the DonaTE Programme’s training session on supporting the next of kin of minority ethnic group patients for whom organ donation is or will be an option. Please complete this questionnaire to provide us with feedback on your views towards the training session by circling the appropriate number on the scales provided for each question e.g. I like coffee

Strongly disagree    1    2    3    4     5    6    7    Strongly agree

#### Training

**How much of the session was relevant to your work on ICU?**

Very little    1    2    3    4    5    6    7    A lot

**Will the training session be useful in your work on ICU?**

Not useful    1    2    3    4    5    6    7    Useful

**Was the session presented clearly by the facilitator?**

Clear    1    2    3    4    5    6    7    Unclear

**Was the film content clear and easy to understand?**

Easy    1    2    3    4    5    6    7    Hard

**Was the length of the session?**

Too long    1    2    3    4    5    6    7    Too short

**Has the session made you think about supporting next of kin?**

Very little    1    2    3    4    5    6    7    A lot

**What aspects of the training were well done?**

---

---

---

**What could be done to improve the training session?**

---

---

---

#### Organ donation experience

Over the last two years how many patients have you referred as potential organ donors? \_\_\_\_\_

Over the last two years how many organ donations have you been involved with? \_\_\_\_\_

If you have been involved in organ donation, how many donors were from a minority ethnic group \_\_\_\_\_

#### Further information

What else do you want to know about organ donation?

---

---

Your job title \_\_\_\_\_ NHS Band \_\_\_\_\_

Years since qualification \_\_\_\_\_

### 2.Theory of Planned Behaviour evaluation questionnaire

DonaTE Programme

Training evaluation questionnaire

Thank you for participating in DonaTE Programme’s training session on supporting the next of kin of minority ethnic group patients for whom organ donation is or will be an option. Before the training begins, please complete this questionnaire by circling the appropriate number on the scales provided for each question e.g. I like coffee

Strongly disagree    1    2    3    4    5     6    7    Strongly agree

**Part 1**

**For me to support people from minority ethnic groups about making decisions about organ donation is:**

Easy	1	2	3	4	5	6	7	Difficult
Worthless	1	2	3	4	5	6	7	Useful
Undesirable	1	2	3	4	5	6	7	Desirable
Harmful	1	2	3	4	5	6	7	Beneficial
Comfortable	1	2	3	4	5	6	7	Uncomfortable

**Building a rapport with the next of kin is:**

Easy	1	2	3	4	5	6	7	Difficult
Worthless	1	2	3	4	5	6	7	Useful
Undesirable	1	2	3	4	5	6	7	Desirable
Harmful	1	2	3	4	5	6	7	Beneficial
Comfortable	1	2	3	4	5	6	7	Uncomfortable

**Building a rapport with the next of kin from a different ethnicity to my own is:**

Easy	1	2	3	4	5	6	7	Difficult
Worthless	1	2	3	4	5	6	7	Useful
Undesirable	1	2	3	4	5	6	7	Desirable
Harmful	1	2	3	4	5	6	7	Beneficial
Comfortable	1	2	3	4	5	6	7	Uncomfortable

**For a patient who will die, finding out about any specific end of life practices is:**

Easy	1	2	3	4	5	6	7	Difficult
Worthless	1	2	3	4	5	6	7	Useful
Undesirable	1	2	3	4	5	6	7	Desirable
Harmful	1	2	3	4	5	6	7	Beneficial
Comfortable	1	2	3	4	5	6	7	Uncomfortable

**Talking about organ donation with next of kin is:**

Easy	1	2	3	4	5	6	7	Difficult
Worthless	1	2	3	4	5	6	7	Useful
Undesirable	1	2	3	4	5	6	7	Desirable
Harmful	1	2	3	4	5	6	7	Beneficial
Comfortable	1	2	3	4	5	6	7	Uncomfortable

**Talking about organ donation with next of kin from a different ethnicity to my own is:**

Easy	1	2	3	4	5	6	7	Difficult
Worthless	1	2	3	4	5	6	7	Useful
Undesirable	1	2	3	4	5	6	7	Desirable
Harmful	1	2	3	4	5	6	7	Beneficial
Comfortable	1	2	3	4	5	6	7	Uncomfortable

## Part 2

**My line manager expects me to find out end of life practices for a patient who will die**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**Colleagues expect me to know information about a patient's family dynamics**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**My line manager expects me to manage a patient's visitors**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**It is important to me that my colleagues think I do my job well**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**It is important to me that my colleagues think I always help patients and their next of kin**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**The next of kin expect me to know about the patient's religion or faith**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**The next of kin expect me to know about a patient's cultural background and associated practices**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**I think it is important that a patient's relatives approve of what I do**

Not very                1    2    3    4    5    6    7    Very much

**I think it is important that a minority ethnic group patient's relatives approve of what I do**

Not very                1    2    3    4    5    6    7    Very much

## Part 3

**I am confident in providing care for patients prior to organ donation**

Not very                1    2    3    4    5    6    7    Very much

**I have to ensure that end of life care conforms to the Unit/Trusts policy**

Not very                1    2    3    4    5    6    7    Very much

**I believe I can manage large groups of visitors for an individual patient**

Not very                1    2    3    4    5    6    7    Very much

**I am confident in dealing with the next of kin's expressions of acute grief**

Not very                1    2    3    4    5    6    7    Very much

**I am can deal with next of kin's expressions of acute grief**

Not very                1    2    3    4    5    6    7    Very much

**On this unit I can easily refer potential organ donors to the Specialist Nurse for Organ Donation**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**I feel very confident that I can help fulfil faith requirements for a dying patient**

Not very confident    1    2    3    4    5    6    7    Very confident

**I feel confident I can fulfil required cultural practices for a dying patient**

Not very confident    1    2    3    4    5    6    7    Very confident

**I can help fulfil any faith or cultural requirement for a dying patient**

Easy    1    2    3    4    5    6    7    Difficult

**I am confident I can support the next of kin to make decisions about organ donation**

Easy    1    2    3    4    5    6    7    Difficult

**I am aware of pressure to consider organ donation in end of life care**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**I am confident I could help support the next of kin from a different ethnic background to make decisions about organ donation**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**I believe I can communicate with the next of kin from a different ethnic background**

Easily    1    2    3    4    5    6    7    With great difficulty

**Part 4**

**It is difficult for me to talk to ethnic groups other than my own**

Not very    1    2    3    4    5    6    7    Very much

**I have a basic understanding of faith beliefs other than my own**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**I have an in-depth understanding of faith beliefs other than my own**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**I don't understand cultural practices other than my own**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**I understand expressions of emotion around death other than my own**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**I decide on the end of life care a patient will receive**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**I don't understand why patient visitors attend in large groups**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**I understand why some people from minority ethnic groups do not trust ICU staff**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**I don't understand minority ethnic group languages**

Strongly disagree    1    2    3    4    5    6    7    Strongly agree

**Part 5**

**I want to support the next of kin to make decisions around end of life care**

Strongly disagree      1      2      3      4      5      6      7      Strongly agree

**I want to support the next of kin making their decision about organ donation**

Strongly disagree      1      2      3      4      5      6      7      Strongly agree

**I want to support the next of kin during organ donation**

Strongly disagree      1      2      3      4      5      6      7      Strongly agree

**I intend to talk to the SNOD about organ donation**

Strongly disagree      1      2      3      4      5      6      7      Strongly agree

**I intend to learn about religions or faiths other than my own (if I have one)**

Strongly disagree      1      2      3      4      5      6      7      Strongly agree

**I intend to learn about different emotional expressions of acute bereavement**

Strongly disagree      1      2      3      4      5      6      7      Strongly agree

**I intend to learn about end of life practices for different faiths and cultures**

Strongly disagree      1      2      3      4      5      6      7      Strongly agree

**I want to learn how to manage large groups of visitors**

Strongly disagree      1      2      3      4      5      6      7      Strongly agree

**I intend to think of ways I can best support the next of kin**

Strongly disagree      1      2      3      4      5      6      7      Strongly agree

**I intend to find out know this Trust's policy on organ donation**

Strongly disagree      1      2      3      4      5      6      7      Strongly agree

**Part 6**

**In the last 3 months I have supported the next of kin during end of life care**

Yes •                      No •

**In the last 3 months I have been involved in the care of an organ donor**

Yes •                      No •

**In the last 3 months I have referred a patient as a potential organ donor**

Yes •                      No •

**In the last 3 months I have attended training about organ donation**

Yes •                      No •

**Please complete the following questions about yourself:**

**Job title:** \_\_\_\_\_

**NHS Band:** \_\_\_\_\_

**Length of time working on this ICU** \_\_\_\_\_

**Length of time working on any ICUs** \_\_\_\_\_

**Year of birth** \_\_\_\_\_

**Gender:** male • or female •

**Religion or faith** \_\_\_\_\_

**What is your country of birth?** \_\_\_\_\_

**If you were born outside the UK, how many years have you lived in the UK?** \_\_\_\_\_

**What is your ethnic group?**

Please tick the appropriate box or add you ethnic group in the spaces provided:

White

- English / Welsh / Scottish / Northern Irish / British
- Irish
- Gypsy or Irish Traveller
- Any other White background, write in \_\_\_\_\_

Mixed / multiple ethnic groups

- White and Black Caribbean
- White and Black African
- White and Asian
- Any other Mixed / multiple ethnic background, write in \_\_\_\_\_

Asian / Asian British

- Indian
- Pakistani
- Bangladeshi
- Chinese
- Any other Asian background, write in \_\_\_\_\_

Black / African / Caribbean / Black British

- African
- Caribbean
- Any other Black / African / Caribbean background, write in \_\_\_\_\_

Other ethnic group

- Arab
- Any other ethnic group, write in \_\_\_\_\_

**Contact details**

We would like to invite you to complete the final questionnaire for this study in three months time. This will be an electronic questionnaire. Please provide an email address so we can send you a link to this final questionnaire

Name: \_\_\_\_\_ Email address: \_\_\_\_\_

**Please return this questionnaire to the training facilitator**
