1.1.5 **Feedback form Used at Stakeholder Workshops to Understand Usefulness of Proposed Evidence Assets**

Name (optional): _____
 Please complete form and leave with us at end of session.

PART A (small groups) - Who would see and use the evidence assets? (5 minutes)

➤ Who are you connected to through your work* who would:

Definitely be interested in this information?	Could be interested in this information?	Should be interested? (but may not currently be)

*This could be individuals (e.g. Licensing lead, chief exec, elected member) or groups (e.g. business group, local community etc.)

PART B (in twos or threes) – Evidence Assets (20 minutes)

Pick one of the people who would/could/should be interested above. Imagine you have the opportunity to talk to them for 10 minutes. You have the evidence assets to hand.

Role of communicator: _____

Role of recipient: _____

Asset Document Used: _____

Summarise your feedback	Score from 0 to 10
Q1) How well did the assets work in communicating the main ideas and research findings on MUP Local?	
Q2) What went well in the communication? <ul style="list-style-type: none"> Which parts of the assets 'hit the right spot'? 	

<p>Q3) What did not go so well in the communication?</p> <ul style="list-style-type: none">• Were there parts that were difficult to grasp or get across?• Do you foresee objections to the assets that could be addressed?• Would you recommend any refinement to current evidence assets?	
<p>Q4) Is there anything missing? Are there issues of interest that are not covered in the evidence assets?</p>	
<p>Q5) If you wouldn't use the assets in a conversation ...</p> <ul style="list-style-type: none">• What is it that would prevent you from using them?• What would you use or do instead?
